Re: Student Physicals

All students attending St. Benedict's Prep are required to have a complete physical before the beginning of the school year 2008-2009. Past experience shows that there has been some difficulty in obtaining physicals on time. Therefore, we have contracted the services of a licensed physician to come into our school to perform these physicals. The physician will be here on July 23. Physicals will only be given to those who have returned the attached permission slip. The registration fee is \$20.00 to make it more affordable to all students. This physical will fulfill the requirements for the 2008-2009 school year. Please submit signed permission slips, with payment, as soon as possible.

Students may turn in this slip with the money on or before July 18th.

Checks can be made payable to St. Benedict's Prep and can be mailed to: Mike McCree, Director of Student Services, 520 King Blvd., Newark, NJ 07102.
