What You Need to Know: The COVID-19 Vaccine

Please join St. Benedict's Prep alumni who are practicing physicians and other doctors for a conversation about COVID-19 and the forthcoming vaccine. Most panelists grew up in the Greater Newark area and have a unique perspective on the pandemic and its impact – especially on people of color and immigrant communities.

**Sessions will be conducted in multiple languages.
Questions will be answered.**

Monday, December 21

7:00 p.m. – English

8:00 p.m. – Spanish/Portuguese
