FOREWORD

It is with great pleasure that we present the 2020 edition of *The Official Catholic Directory*. For over 200 years, *The Official Catholic Directory* has provided comprehensive coverage of the institutions and clergy of the Catholic Church in the United States. To complement this data, we have included the 2019 Highlights, our annual recap of the key events impacting the U.S. Catholic Church over the past year.

The 2020 volume saw the enhancement of our new online updating system. It is part of our ongoing commitment to improve our service to the Church and provide better, more modern means to do so. We have continued to augment and refine this new database to ensure the best possible user experience and also allow the Church greater access to the important information collected.

Although the U.S. Catholic Church has changed significantly over the past two hundred years, our core mission remains the same: to provide a thorough and accurate portrait of the Catholic Church in America and to continually improve this unique and valuable reference tool. This directory owes a debt of gratitude to the ecclesiastical authorities and diocesan officials who help make *The Official Catholic Directory* possible. We thank them for their cooperation and invaluable assistance.

Sincerely,

Robert J. Docherty
