DISTINCTIONS UNIQUE TO ST. BENEDICT'S PREP

Community, Like No Other

On Day 1, St. Benedict's students learn, "Whatever Hurts My Sister Hurts Me. Whatever Helps My Sister Helps Me." At morning Convocation, students and adults gather for prayer, song, attendance, announcements and an affirmation to "Go and conquer!" We livestream Convo every morning. Students Lead the Way

At St. Benedict's, the **kids are literally in charge**, and are given significant opportunities to discover and amplify their voices. **Six Groups** form the cornerstone of true sisterhood. Girls complete the **Overnight** and **Backpacking Project**, annual rites of passage at The Hive. These remarkable young women are building the community and traditions that will support them this year, and well into the future.

Tending to the Heart

Counseling and therapy are available on the Property, both in individual and group sessions at the Steven M. Grossman Counseling Center. Our experience shows that grades improve when students' social-emotional needs are addressed.
